

# Start Saving with RECO

---

Implement a plan and start a project that can help you save money on utility bills and operating costs. Receive **up to 80%** off project costs with instant incentives.

## Benefits

Want to save money and upgrade your facility, but not sure where to start? Saving money and upgrading your facility can be challenging, but with O&R energy-efficiency upgrades, your wallet and staff will thank you. Rely on the RECO **Direct Install** Program to guide you into longterm savings.

Your business could lower its energy usage and costs by participating in the Direct Install Program. Our qualified RECO Participating Contractors will assist you every step of your journey to help you achieve energy savings for your business.

### A project may help your business:

- Improve and maintain occupant comfort and productivity.
- Increase property value.
- Reduce maintenance needs and extend equipment life.

# When it comes to saving on energy costs, we have a **SOLUTION** for every business.

## Saving Energy is as Easy as 1, 2, 3.

- 1. Assess your Workspace.** Visit [oru.com/NJDirectInstall](https://oru.com/NJDirectInstall) to request a free energy assessment with a qualified Participating Contractor and discover energy-saving opportunities eligible for incentives.
- 2. Select a Plan.** Work with your Participating Contractor to select a project plan that works for you.
- 3. Install Upgrades.** Your project will be installed by your Participating Contractor and you will receive the incentives instantly. You only pay\* the balance after the incentives are applied.
