

Direct Install

Measure List

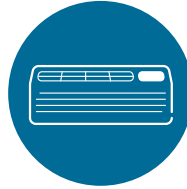

Lighting and Controls

- LED exit sign
- LED fixtures
- Lit signage/LED channel sign
- Screw-in LED lamps
- T8/T5 retrofit
- Tubular LED
- Daylight dimming control
- Occupancy sensor
- Other lighting

HVAC (Gas)

- Stand alone storage water heaters
- Instantaneous water heaters
- Gas boilers and furnaces
- Infrared heating
- Boiler reset controls
- Electronic fuel-use economizers (boilers, furnaces, AC)

HVAC (Electric)

- Air conditioner or heat pump (split, single package, central DX)
- Water source heat pump
- Packaged terminal air conditioner (PTAC)
- Packaged terminal heat pump (PTHP)
- Variable frequency drive
- Furnace high efficiency fan
- Solar domestic hot water
- Heat pump hot water
- Drain water heat recovery
- Dual enthalpy economizers

Dual Fuel (Electric and Gas)

- Programmable thermostats
- Demand-controlled ventilation

Refrigeration

- LEDs for refrigerated cases
- Cooler and freezer door heater control
- EC motor for evaporator fan
- Evaporator fan controls
- Night covers
- Strip curtains
- Electric defrost control
- Energy efficient glass doors on open refrigerated cases

Important Information

- Eligible customers:
 - Tier 1: 0-100 kW average peak demand
 - Tier 2: 101-200 kW average peak demand
- Incentive: Comprehensive applications (combination of lighting and non-lighting measures) will have a higher cost cap compare to only lighting measures:
 - Example: Tier 1 customer, only lighting measures: 0.40 \$/kWh saved up to 45% of eligible project cost
 - Example 2: Tier 1 customer – 50% lighting energy savings and 50% HVAC energy savings:
 - Lighting: 0.40 \$/kWh saved up to 65% of eligible project cost
 - HVAC: 2.25 \$/kWh saved up to 80% of eligible project cost
- LED lighting must be Design Lights Consortium (DLC) or ENERGY STAR® listed. All other lighting must be DLC, ENERGY STAR, CEE, or UL listed.

Contact Us Today

The **Direct Install Program** offers whole-building energy solutions to help businesses and facilities use energy more efficiently and save money.

For more information, visit us at oru.com/NJDirectInstall, email RECOBDI@nexant.com or call **800-701-0952**.

Miscellaneous

- Motors
- Power strip (tier 1)
- Power strip (tier 2)
- Vending machine and glass front cooler control
- Low flow faucet aerators and showerheads
- Low flow pre-rinse spray valves
- Pipe insulation
