HOW IT WORKS

FREE ENERGY ASSESSMENT

PSE&G will provide a free, on-site energy assessment, recommend energy efficiency upgrades, and provide a detailed cost estimate.

COVERED 100% UPFRONT

PSE&G pays for 100% of the up-front costs, and the work is done by a PSE&G authorized contractor (Donnelly Energy).

When the work is complete, customers repay as little as 20% of the total—interest-free—over 60 months on their PSE&G bill (or in one lump-sum payment).

OPEN TO UEZ AND OZ

PSE&G's Direct Install Program is open to businesses in New Jersey towns and cities that have designated Urban Enterprise Zones and Opportunity Zones.

PSE&G AUTHORIZED

Donnelly Energy is the PSE&G Direct Install Authorized Contractor for Hunterdon, Middlesex, Morris, and Passaic counties.
